Re: DT 06-117, Verizon New Hampshire
Tariff Filing Revising Enhanced FlexGrow Service

Dear Ms. Thorne:

On August 30, 2006, Verizon New Hampshire (Verizon) submitted a tariff filing revising Enhanced FlexGrow Service in Verizon's NHPUC No. 83 Exchange and Network Services tariff. The revisions to the Enhanced FlexGrow Service tariff introduces a five year term option payment plan, DID specific rates, and reduced nonrecurring rate associated with the installation of new Enhanced FlexGrow Service.

Staff has examined the filing and recommended approval. The Commission accepted Staff's analysis and recommendation.

For administrative efficiency, an order will not be issued by the Commission either suspending, rejecting, or approving the proposed tariff changes. Pursuant to RSA 378:3 and RSA 378:6, IV, the proposed revisions to Verizon's Tariff NHPUC No. 83 are effective as filed.

Tariff pages should be filed referencing Docket No. DT 06-117 and reflecting the requested effective date of October 1, 2006.

Sincerely,

Debra A. Howland
Executive Director and Secretary
